Roovel Solutions stands for caring about you and the environment by providing solutions for all challenging & varied requirements. With experience of over 19 years in manufacturing of Industrial cleaning chemicals, we are redefining the standards of cleanliness in India. We are committed to provide chemical solutions that give outstanding results and are environmentally responsible. Investing time and effort in understanding the Indian market, Power Clean has innovative products that make your everyday life easy. Every user of Power Clean can take pride in the fact that our products have minimal impact on the environment.

We are dedicated to preserving our precious environment. Roovel Solutions is an organisation offering eco-friendly, bio-degradable products. Our Vision is to make the world a Safer, Cleaner and Better place. We understand our success depends on proactive collaboration with customers in identifying innovative and cost-effective solutions. Our Mission is to be valued by our customers, employees, and shareholders for providing highly innovative products and services backed by deeply instilled principles, values and ethics. Roovel Solutions is committed to provide the Indian consumer the most unique and best products to simplify their life.

## WHAT WE VALUE

"A customer is the most important visitor on our premises. He is not dependent on us. We are dependent on him. He is not an interruption of our work. He is the purpose of it. He is not an outsider of our business. He is part of it. We are not doing him a favour by serving him. He is doing us a favour by giving us the opportunity to do so."  
- Mahatma Gandhi.

We continuously strive to exceed customer expectations.

## **POWER CLEAN Products are broadly categorized into 3 segments.**

1. Industrial Cleaner & De-greasing Products (Precision Cleaning)
2. Housekeeping Products
3. Water Treatment Products

### *Our Esteemed Customers*

## XL

### EXCELLENT ALL-AROUND CLEANER

**Code:100**

*POWER CLEAN XL is an all round excellent Degreaser & Cleaner. It can be used for Ultrasonic, Immersion cleaning and Low Bar pressure spray cleaning.*

- Multi Metal cleaner (aluminum and steel).
- Generic All-purpose cleaner
- Effective in removing lapping compound and buffing compound

## XL+

### FERROUS CLEANER

**Code:111**

*POWER CLEAN XL+ is an excellent highly concentrated aqueous based alkaline cleaner. This cleaner has very similar capabilities of POWER CLEAN XL, but formulated specifically to clean ferrous material. Do not use this with Non-Ferrous material.*

## NF12

### NON-FERROUS CLEANER-MEDIUM FOAM

**Code:717**

*POWER CLEAN NF 12 is a Non-Ferrous Cleaner & Degreaser. This product is well suited for Aluminum, Brass, Copper & Nickel cleaning. This product is extensively used to clean Aluminium Castings, Brass Valves e.t.c. This product is specifically formulated to work best with soft metals such as Aluminium, Brass, Copper e.t.c*

## LF

### LOW FOAM MULTI-METAL CLEANER

**Code:800**

*POWER CLEAN LF is a outstanding No / Low Foam cleaner & degreaser which works very effectively to remove Oil, Grease, Dirt, Dust from different type of metals with NO FOAM. POWER CLEAN LF works very effectively even at 100 bar pressure with No Foam.*

## CR

### CARBON REMOVER

**Code:501**

*POWER CLEAN CR is an aqueous based alkaline degreaser / cleaner that was formulated specifically to clean heavy grease, oil, burnt carbon from used engine components.*

## RR 27

### RUST REMOVER

Code:627

*POWER CLEAN RR 27 is a effective Rust Remover for steel components. Can also be used on certain aluminum components to remove rust. POWER CLEAN RR 27 can used as spray and wipe method or by soaking the component in the rust remover solution and rinsing it off.*

## RP 14

### WATER SOLUBLE RUST PREVENTIVE

Code:614

*POWER CLEAN RP 14 (Rust Preventive) is a very effective water soluble rust preventive that can be used to prevent rust when water or water based cleaners are involved cleaning components. Typically POWER CLEAN RP 14 is used in rinsing tanks of industrial cleaning machines.*

## ALB

### ALUMINIUM CLEANER & BRIGHTNER

Code:717

*POWER CLEAN ALB is very useful in removing certain marks from Aluminium. POWER CLEAN ALB helps in brighten aluminum castings and can be effectively used in the rinsing tanks for brightening of aluminum in industrial washing machines.*

## DE 33

### COPPER CLEANER & DEGREASER

Code:910

*POWER CLEAN DE 33 cleans copper and provides a nice shine to the finished cleaner part. POWER CLEAN-DE 33 is concentrated product, designed for cleaning products made from non-ferrous metals such as copper and its alloys. Removes exploitation dirt, atmospheric pollution, stains, sediments, scales and mineral dripstone.*

## AR

### ADHESIVE REMOVER

Code:128

*POWER CLEAN-AR was formulated specifically for removing Adhesives from metal components. Adhesive Remover cleaner is a combination of highly active, fast-penetrating solvents with selected detergents and corrosion inhibitors designed to remove adhesive, wax, gum, tar, varnish, gummy matter, etc., from metal components.*

**BW**

## BIN WASH CLEANER

**Code:140**

*POWER CLEAN BIN WASHING (BW) is a super concentrated alkaline pH, industrial cleaner/degreaser designed to replace a wide variety of solvent and conventional cleaners. POWER CLEAN–BW was specifically designed to work effectively with metals and plastics to remove dirt, dust, oil & grease from the bin / tray. POWER CLEAN–BW will remain effective even upon dilution and can often be diluted far beyond conventional cleaners, resulting in superior performance & cost savings.*

**MC01**

## MACHINE CLEANER

**Code:429**

*POWER CLEAN Machine Cleaning Chemical is a super concentrated alkaline industrial cleaner/degreaser designed using citrus based ingredients to replace a wide variety of solvent and conventional cleaners and very effective in removing industrial manufacturing related contaminations such as lubricant oil, cutting oil, dirt, dust, burr e.t.c.*

**DE37**

## DESCLAER

**Code:912**

*POWER CLEAN COOLING TOWER DESCALER is specially formulated for the most difficult jobs of descaling and derusting. POWER CLEAN COOLING TOWER DESCALER contains corrosion inhibitor as well , to protect the cleaned surface from corrosion during descaling operation. POWER CLEAN COOLING TOWER DESCALER effectively removes scales originating from minerals, rust and other metal oxides.*

**SA17**

## BIOCIDE FOR COOLING TOWERS

**Code:915**

*POWER CLEAN BIOCIDES is a combination non-oxidizing biocide, which remain effective prolong period of time. This Biocides can be added to other materials to protect them against biological infestation and growth. For example, this can be added to pool water or industrial water, cooling tower systems to act as an algicide, protecting the water from infestation and growth of algae.*

**FC235**

## HEAVY DUTY INDUSTRIAL FLOOR CLEANER

**Code:235**

*Heavy Duty Floor Cleaner is a highly alkaline solution for cleaning tough to clean surfaces such as industrial kitchen surfaces, machine shop floors, outdoor areas, high traffic areas and factory floors. The solution is highly effective in cleaning floors with high oil and greasy residue. It can also be used for Janitorial cleaning i.e. floors, walls, counters, doors, concrete, tiles, stainless steel etc.*

Product Name	Code	Product Description
POWER CLEAN CR 21	502	Carbon Remover - Engine Cleaner / Piston Cleaner. Economical
POWER CLEAN LF 45	845	Excellent Non Ferrous Low Foam Cleaner for cleaning Copper , Brass, Aluminium.
POWER CLEAN NF 15	714	Non Ferrous Cleaner / Spray Cleaning
POWER CLEAN RP 16	616	Rust Preventive - Water Soluble
POWER CLEAN HD	122	Heavy Duty Industrial De-greaser & Cleaner

## What is your cleaning requirement ?

What cleaning chemical are you looking for ?

What are you trying to clean ? Metal Type (Carbon Steel / Aluminium / Brass) ?

What contamination are you trying to remove (Oil / Carbon / Grease) ?

Is this manual or machine cleaning ?

If machine cleaning, what kind of machine ? Number of Chambers ? Rinsing available ?

How are you currently cleaning ?

Any other issues / problems that you have related to cleaning that you are trying to resolve ?

Send us pictures of your cleaned and un cleaned components to our whatsapp number given below or email : [enquiry@roovel.com](mailto:enquiry@roovel.com)

We can help you to identify the right cleaning process , cleaning machine & cleaning media to achieve your desired results (example : Visual / Millipore / Particle Count / Particle Size e.t.c).

You can send in your components to us for conducting cleaning trials for your validations.

## POWER CLEAN BENEFITS

- Saves money / Cost Effective since dilutable
- All around Safety (Operator, Storage & Environment). No issues with Pollution Board.
- Highly effective cleaning
- Versatile (can be used with different cleaning system and on different metals/components)
- Recyclable
- Reusable (use it as a floor cleaner after life)
- Improves your degreasing process
- Improves your business profit
- Improves your product quality (No Rejection)
- Improves your customer satisfaction
- Prolonged Bath life
- Save Energy Consumption when used in low temp.

### POWER CLEAN CAN BE USED IN :

- Immersion Tanks
- Ultrasonic Component Washing Machines
- Spray Washers
- Parts Washers
- Manual / Hand Wipe Applications

### POWER CLEAN available Can Sizes :

- Standard 5 litre can x 2 no's (1 Box of same product)
- 20 Litres HDPE Jerry Can
- 50 Litres HDPE Jerry Can
